## LOCATION

Set in rural Lincolnshire, the Petwood enjoys a peaceful seclusion in the heart of the county and is only 19 miles from Lincoln.

The Petwood's fabulous history and beautiful setting make it a popular venue choice for conferences in Lincolnshire and the East Midlands region. However, guests coming from farther away benefit from good rail links, the frequent train service from London Kings Cross to Grantham putting us within easy reach of the capital.

For those travelling by air, the Petwood is 35 miles (50 minutes by car) from Humberside International Airport and 64 miles (1 hour 40 minutes by car) from East Midlands Airport

## DINING

**Whether you are looking for a formal dinner in our restaurant or a relaxed meal in the Terrace Bar** the Petwood always has something tasty on offer. Our Terrace Bar is open daily for lunch and light snacks. In the afternoon why not sit back and relax in the Drawing Room and enjoy afternoon tea in the beautiful surroundings? In the summer months, why not take afternoon tea in the gardens for your mid-afternoon break, or relax at the end of the day's business with some after work drinks on the terrace? Pimm's anyone?

**Our restaurant is open daily for a more formal lunch or dinner.**

Serving our restaurant menu 12pm to 3pm Monday to Friday, you can enjoy a fine dining working lunch too.

Want something private? Why not book our famous Squadron Bar (room hire rates apply) and enjoy your meal in the bar where the 'Dambusters' relaxed? The bar is steeped in history and hosts a range of memorabilia and tributes to Guy Gibson VC, Leonard Cheshire VC and their officers.

**We are a proud member of Select Lincolnshire, working closely with local suppliers to support the local economy** and showcase the provenance of Lincolnshire's finest produce. Blessed with such a range of fresh and excellent produce in the region, our menus make the most of local and seasonal ingredients, prepared with care and skill.
